Re: Section 889 Compliance Declaration under the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (NDAA)

To Whom This May Concern:

This declaration is made by **Super Micro Computer, Inc.** ("the Manufacturer") with respect to the requirements of Section 889(a)(1)(A) and 889(a)(1)(B) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Public Law 115-232), and associated regulations. We hereby certify and declare the following:

1. No Use of Covered Equipment or Services: The products, systems, and services provided by the Manufacturer do not incorporate, use, or rely on "covered telecommunications equipment or services" as defined under Section 889, including:
  - Telecommunications equipment or services produced or provided by Huawei Technologies Company, ZTE Corporation, Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, Dahua Technology Company, or any of their subsidiaries or affiliates.
2. No Use in Our Operations: The Manufacturer does not use covered telecommunications equipment or services, whether as a substantial or essential component, or as critical technology as part of any system, in the manufacture, supply, or delivery of the products or services provided to Kognitive Networks.
3. Ongoing Monitoring and Compliance: The Manufacturer maintains internal controls to monitor our supply chain for compliance with Section 889. We will promptly notify Kognitive Networks if we become aware of any non-compliance.

We understand that this declaration is material to your compliance with U.S. federal law and regulations.

Sincerely,

Signed by:
